

 Click Message Copilot 1	
 Ask anything specific about lesson plans you might want to do, or just start with hello! 2	
 From here, you can chat to the agent and it will support you on your LEAD lesson planning. You can speak conversationally, and anything you're unsure of, just ask. 3	

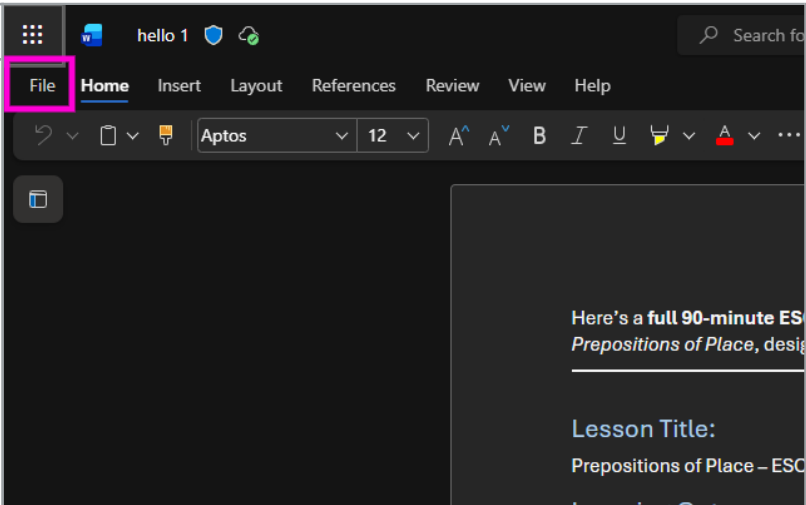

Add in the specific details of the session. If you don't have any learning outcomes, say so and the planner can support you in creating them.	4
Keep chatting to the agent until the lesson plan is tailored to your class, resources and your own teaching style. When you are finished, ask to create the full plan	5
To download it - start by pressing Edit in Pages	6

Click Create	7  The screenshot shows the top right corner of the M365 Cloud interface. A green circular icon with 'CM' is in the top left. To its right are navigation arrows and a 'Create' button with a dropdown arrow, which is highlighted with a red rectangular box. Below the navigation bar, the text 'Entry 1 lesson plan using the LEAD mode' and 'for a classroom with no digital equipment:' is visible.
Here you can open as a PDF, PowerPoint or Word	8  The screenshot shows the 'Create' dropdown menu open. The 'Document' option, represented by a Word icon, is highlighted with a red rectangular box. The other options are 'Presentation' (PowerPoint icon) and 'PDF' (PDF icon). The background text is partially visible.
Click Open Word	9  The screenshot shows a confirmation dialog box with a large blue checkmark icon and the text 'Your draft is ready...'. At the bottom right of the dialog, the 'Open Word' button is highlighted with a red rectangular box. A 'Close' button is also visible next to it. The background shows a lesson plan draft with a 'Resources' section.
