

Immersive Room Staff Guidelines

To ensure the smooth running of sessions and maintain the equipment and space for all users, please observe the following guidelines:

✓ Please:

- Contact Clark Mitton or Monika Worthington if you require assistance or are unsure about any of the equipment.
- Supervise learners at all times when they are using the equipment.
- Handle all equipment with care to ensure it remains in good working condition for all staff and students.
- Use the provided wipes to clean VR headsets and controllers before and after each session.
- Ensure VR headsets and controllers are returned to charge correctly, with the controllers placed in the appropriate positions.
- Return laptops to charge after use.
- Switch off the main PC (if used), side screens, and lights when leaving the room.
- Leave the room tidy and prepared for the next group.
- Encourage learners to complete the feedback form—the QR code is displayed on the door.
- Clean any student writing from the whiteboard tables at the end of the session, using the wipes or tissues provided. Please ensure that only whiteboard markers are used on these tables.
- Return the room layout to its original arrangement if any furniture or equipment has been moved during your session.

⊘ Please refrain from:

- Touching or adjusting any equipment located in the main pod on the left-hand side of the cabinet.
- Leaving headsets, controllers, or laptops unplugged—please ensure all devices are charging after use.
