Logging in to Bradford College Systems

Bradford College

Your login gives you access to the computers at college, Microsoft Teams and Microsoft Outlook.

Email

student number@bradfordcollege.ac.uk

Example: 2401234@bradfordcollege.ac.uk

Password

First initial – Date of birth (DDMMYY) – Last initial
(all lowercase, no capitals)

Example: Joe Bloggs
Date of birth: 1st January 1975 → **j010175b**

How to use your college systems

1 Access learning materials.

Microsoft Teams

Microsoft Teams

1. Log in using your college email and password.
2. Select 'Teams' on the left hand menu.
3. Choose your course team to access your lessons, materials and resources.

Tip: Check the 'Posts' and 'Files' tabs for updates and resources.

2 Submit assignments.

Microsoft Teams

Assignments

1. Go to your course team in Microsoft Teams.
2. Click on 'Assignments' in the main menu.
3. Select the assignment you need to complete.
4. Upload your work and click 'Turn in'.

Tip: Always check the due date and that your submission is confirmed.

3 Check timetables.

Student Portal
(Bradford College website – Students – My Portal)

1. Go to the Bradford College website.
2. Click on 'Students' in the top menu.
3. Select 'My Portal' and log in.
4. Go to 'My Timetable' to view your class schedule.

Tip: Check regularly for any timetable changes.

4 Contact tutors.

Microsoft Teams and Microsoft Outlook

Microsoft Teams
Use the 'Chat' function to message your tutor directly within your course team.

Microsoft Outlook
Email your tutor using your college Outlook account.

Tip: Always use your college email for any communication with staff.
